

# Baby Shower

FrontLine Service family and young adult programs have a **critical** and immediate need for new baby items. Families served by FrontLine have experienced trauma, domestic violence, homelessness and mental health crises. Our goal is to keep families together. All of the families we serve are living in the community with their children. They are in need of some of the basic needs to help keep their family together.

**You can help by providing the following new items:**

- 🌸 Diapers (all sizes)
- 🌸 Baby Wipes
